Dear Elected Officials:

Re: HB 2302 - Busing of Nonpublic School Students

The Association of Christian Schools International, a nonprofit, religious association of private schools provides services to 159 Christian schools in Virginia, and more than 4,000 schools in the United States. You will find more information about ACSI at <http://www.acsi.org>.

ACSI officially endorses HB 2302 and urges your support. This bill simply opens a legal way for a local public school board to enter into a cooperative agreement with private schools.

Thank you for your consideration.
